Production Accountant

Southwell & Associates LLC is a professional oil and gas recruiting firm based in Denver, CO. Our client is an exploration and production company based in CA but has an immediate need for an entry to mid level production accountant for their office in Denver. If interested, and feel you meet the qualifications, please email an ms word version of your resume to andrew@southwellassociates.com or feel free to call.

This newly created position is a result of the company's growth in the Rocky Mountain Region. The job requires one to five years of oil and gas accounting experience with an emphasis in production or revenue accounting and a Bachelors Degree in Accounting or a Business related emphasis. Knowledge of P2 software a plus. The job includes completing all of the monthly allocations for the three asset teams within the Rocky Mountain Region, maintaining all of the new wells in the production accounting system as they are drilled and come on line, and the filing of all the monthly regulatory reports with Colorado and Utah
